and necessity for electric generation
facilities in Loudoun County, Virginia**

HEARING EXAMINER'S RULING

January 24, 2002

On December 7, 2001, by oral Ruling at the scheduled evidentiary hearing, this matter was continued generally in order for counsel for the parties to find a mutually agreeable date to continue the evidentiary hearing and to further agree on a schedule for filing additional testimony and exhibits.

The parties have proposed a procedural schedule, which I find reasonable. Accordingly,

IT IS DIRECTED THAT:

- (1) The parties shall, on or before January 31, 2002, file with the Clerk of the Commission any additional testimony and exhibits. A copy of any such testimony and exhibits filed shall be served on all counsel;
- (2) The evidentiary hearing is rescheduled for 10:00 a.m., Wednesday, March 6, 2002, in the Commission's Second Floor Courtroom, Tyler Building, 1300 East Main Street, Richmond, Virginia; and
- (3) Any person desiring to testify as a public witness or respondent at the evidentiary hearing should arrive at 9:45 a.m., Wednesday, March 6, 2002, and complete a Public Witness Appearance Form and return the same to the Commission's Bailiff.

Michael D. Thomas
Hearing Examiner
